

MISSION STATEMENT

MOTTO : *Future Flourishes Here ...*

DESCRIPTION :

Kaziranga English Academy is a complete residential co-educational school established in 2003 from Grade 3 to 12.

- We aim to maximise student learning and develop compassionate, wise, knowledgeable and confident citizens.
- Each child under our care is groomed to step out of the school with the required competence and confidence to face life.
- Rather than adopting a totally mechanical robotic approach, we aim to provide a human, down to earth procedure through healthy educational, physical, psychological, technical and community teachings.
- Kaziranga English Academy value in inculcating values such as basic courtesy, respect and good behavior in students. Every student is taught to be responsible and accountable for their actions.
- Teachers are trained to customize instructions keeping each child in mind and all students, being boarders, are given personal attention.
- We aim to help every child bloom in their chosen field and besides academic importance is also given in co-curricular and extracurricular activities be it Art, Music, Theatre, Dance and so on.
- Programmes connected to Physical Education are taken care and focus is on health and wellness of the students.
- Kaziranga English Academy celebrates events, festivals and special days to expose the students to the richness of their culture and traditions.
- As an extension of ICT into school teaching, we have introduced Smart Board interactive classrooms to make teaching-learning process more effective.
- In the next 3 years, the school will take up more reading related activities to improve reading habits among the children.
- The school will adopt more environmental awareness programmes among students.
- In the coming 2 years we will lay more emphasis on hands-on learning of science and develop interest in creating, designing and inventing.
- We have succeeded in sensitizing the feeling of nationalism and communal harmony among students.
- Our ultimate mission is to offer the world a sublime confidence of youth. We envisage to see our students as complete individuals embarking with a realistic approach into this big intolerant world with tolerance, compassion, understanding and unshakable determination to strive for excellence.
